ABOUT THE INSTITUTION

Buddha International Institute of Management Studies (BIIMS) is a premier educational institution located in a 5-acre campus at Islampur, Nalanda, Bihar. It is affiliated to All India Council for Technical Education (AICTE), New Delhi. BIIMS is dedicated to nurturing future leaders through quality education, industry-relevant training, and holistic development. BIIMS is the ideal launchpad for your professional career.

The institute is run by Patliputra Educational and Welfare Educational Foundation (PEWF), a non-profitable organization, engaged in bringing holistic change to the current education system. The organization is engaged in promoting job-oriented courses and skill development programs since 2015.

WHY CHOOSE BIIMS?

- AICTE approved institution in a growing academic hub of Nalanda, Bihar
- Career-focused BBA and BCA programs with industry-relevant learning
- Experienced faculty
- Industry webinars and seminars
- Strong industry network
- Excellent employment opportunities
- Affordable fee structure, merit scholarship

OUR TEAM

Pankaj Kumar: Chairman, PEWF

XLRI Jamshedpur and NIT Allahabad graduate. Served as Project Director with 25 years of comprehensive experience in strategic planning, program and project management, and engineering services within the energy and infrastructure sectors. He is dedicated to advancing academic excellence with integration with industry.

Mukesh Kumar: Secretary, PEWF

NIT Allahabad alumnus. Served as Engineering Director with 25 years of experience in semiconductor technology and project management. He is devoted to empowering the youth, based on the foundation of modern education, thereby shaping self-reliant and confident individuals for nation-building.

Vijay Gupta: Mentor

Master's degree from BITS Pilani and brings over 20 years of experience in engineering and management roles, leading the development and delivery of large-scale data engineering products and technology solutions. A strong advocate of affordable, quality education, he is passionate about empowering students through accessible learning opportunities.

Tanima V: Mentor

Alumnus of IIT Madras, with 20 years of professional experience in leadership roles in MNCs, she has successfully executed large-scale complex digital transformation initiatives, possessing global exposure working across US, UK, Africa, and APAC. Guided by her philosophy of advancing girls' education, she is committed to empowering the next generation with knowledge and opportunity.
